# V. PUBLIC HEARING OF THE BUDGET

**Motion** presented by Mr. Bruno and seconded by Mrs. Krikos, unanimously approved, to hold a public hearing for the Superintendent to present the 2023-2024 proposed final school budget and answer questions from the Board/Public.

Dr. Matthew Spelker – 2023-2024 public budget presentation

Dr. Matthew Spelker reviewed the 2023-2024 budget presentation with the Board. He noted that the 2023-2024 budget is fiscally conservative that meets all budget guidelines. It maintains staffing configuration, co-curricular activities and small class sizes. It budgets money for professional development and curriculum writing. Inflation had a negative impact on this year's budget — fuel costs, employee benefits and many more expense line items. Dr. Spelker also noted this budget allows for HTS to maintain its position as one of the premier PK-8 public school districts in New Jersey and provides adequate financial resources to meet the soon to be named 2023/2024 district goals.

Mr. Singh commented on the impact of inflation in the Budget and if this continued, what would be the impact on next year's budget? Dr. Spelker and Mr. Jennings noted that if inflation continued at similar levels next year, that it would impact the budget for next year but it was too early to predict at this time. They also mentioned that they were seeing some moderation in inflation and were hopeful that impact would be less than the current year. Mr. Bruno noted that the community understands the reality of inflation and its impact on the budget. Mr. Gjivoje thanked Dr. Spelker and Mr. Jennings on their efforts in providing a fiscally prudent budget. He also mentioned the historical tax levy increases and commended the administration for averaging 1.57% annual increase over the last 5 years. He also commended the negotiations committee and the HTEA representatives for arriving at a new contract that is fair and agreeable to both parties. Mr. Balog inquired about the salary increases and the pending new teacher contract as compared to the County Averages? Dr. Spelker noted that the County Average for salary increases is approximately 3.5%. Mr. Balog asked where the current budget stands? Mr. Jennings noted the current year's budget is in-line with projections. He asked what was the amount Harding pays Madison for tuition for the High School Students. Mr. Jennings noted it was approximately \$1.35 million on an annual basis. George Boyan asked about spending per student? Mr. Jennings noted that the User Friendly Budget would be posted on the Website tomorrow and that information would be available in that report.

**MOTION** presented by Mr. Bruno and seconded by Dr. Anastasiou, unanimously approved, to close public hearing regarding the 2023-2024 school budget.

George Boyan inquired about the tuition rates the District charges for out of district students who attend HTS schools, how it compares to levels of surrounding schools and whether raising it would be an additional revenue source to the school? Dr. Spelker noted there are 3-4 out of district students that attend HTS schools and they have done so for some time, and the amount of tuition the school receives is very small relative to the overall Budget. Mr. Gjivoje stated he appreciated Mr. Boyan for bringing this matter up and the Board would review this going forward.
